## OTHER NEWS ITEMS

### Registration Fees

The Treasurer wishes to give all a friendly reminder that payment of your player registration fees is now overdue. Statements of outstanding fees will be sent out to players next week. Don't put this off as the club needs to pay its debts also.

### Prince of Wales (POW) Development

The club has been successful in gaining a small development grant through Football Federation Australia's Grass Roots Fund. It is the club's intention to submit a plan to the Glenorchy City Council to have a container placed at POW. The 12m container will act as storage facilities for club equipment in summer but will mainly act as two change rooms during the winter season. A development approval is currently with the Glenorchy City Council and hopefully will be approved. We will be conducting a few working bee's over summer to line the container and place benches and shelves for player comfort in each room. If you would like to assist with this work please see a committee member.
